**Why Southern Hills  
Is a Great Place for  
Your Child**

Southern Hills CDC is a great place for your child to grow-up! Starting at 6 months to 5 years each classroom builds on learning goals. Certified teachers with years of classroom experience are eager to help your child learn.

Starting in the Lil Critter classroom circle time begins. Each classroom builds on learning adventures. We provide pre-school centered classrooms that will have your child ready for Kindergarten. We strive to create an environment where children construct knowledge and skills in all areas: physical, social, emotional and intellectual to lay the foundation for lifelong learning. Even our Guppies and Cubs enjoy 15 minutes of music a day. So if you are looking for a Full-day Pre-School Classroom experience with a Developmental Approach then Southern Hills is a great place for your child to grow-up!

**UCO SPEECH &  
HEARING SCREEN-  
INGS**

*The University of Central Oklahoma will conduct Speech & Hearing Screenings the fourth week of February, February 26-March 1. Your child must be in the Explorers, Monkeys, Superheroes, Superstars, or Discoverers for the testing.*

- During the week of February 5th teachers will hand out forms to authorize testing.*
- Please make sure to hand in your form as soon as possible to the office.*
- Your child will be given a specific day and time to be tested.*
- A couple of weeks after testing parents will be given a written report of the results.*

# Important Enrollment/Tuition Changes

*Our daily hours of operation and tuition fees are changing.* Below you will find the changes being made starting in August with our 2018-2019 school term.

-The school day will be extended 30 minutes. We will start school at **9:05** and end at **2:35**. **There will no longer be extended session.**

-In order for the number of days attending to be equal, we will be staying open **Monday September 17, 2018** and **Monday, January 7, 2019**. This will alleviate Monday make up days. We will follow Edmond Public Schools calendar for all other observed holidays and days off.

-Our enrollment fees will stay the same at \$30.00 for each day enrolled plus \$30.00 consumable supply fee due at enrollment. The tuition will increase to **\$105.00** a month for each day your child is enrolled. Here is what you are getting for your \$15 more a month. If your child only attends Southern Hills one day a week, he/she is receiving an additional 2 hours a month in a developmentally appropriate classroom with their peers and teachers allowing for more class time and more learning to take place. Your **May tuition** will be due when you receive your enrollment confirmation in March.

-Enrollment will start February 20th for the families currently enrolled with open enrollment starting February 26th.

-Our Summer Session fills up quickly. It is first come, first serve.

**Remember enrollment fees and May tuition are non-refundable. Please make sure you take your time considering enrollment.**
